**For more information, read our article "Bettering the World and Yourself" at  
[www.org-force.com/blog](http://www.org-force.com/blog) or contact David Miller at [dmiller@org-force.com](mailto:dmiller@org-force.com) or (240) 328-6838**

## By Attending This Workshop You Will

- Learn about leadership in international development and humanitarian assistance that will enhance your impact and career;
- Explore your inner leadership resources to overcome systemic barriers, create pathways for innovation and change, and realize fulfillment in your life and career;
- Boost your influence by learning how to create from others through self-awareness, acceptance, courage, and trust;
- Increase your consciousness by allowing your natural perceptive powers to tap into the world of possibilities;
- Connect with an intimate community of up-and-coming leaders in international development and humanitarian assistance with similar interests and aspirations;
- Engage in activities that will grow your leadership abilities, invest in your learning and growth, and have fun.

---

### Target Audience

Early- to mid-career international development and assistance leaders in multi-lateral, government, contracting, and non-profit organizations. The maximum number of participants will be 25.

---

### Facilitators

**David Miller** is an executive coach, leadership specialist, and organizational development consultant. Before starting OrgForce Consulting, he specialized in leading large USAID-funded development projects for 24 years in some of the world's mostly challenging environments such as Central Asia shortly after the fall of the Soviet Union and more recently in South Sudan.

**Doug Keh** is a leadership development specialist and writer. He previously worked 27 years for the United Nations most recently serving (2015-2107) as Country Director for UN Development Programme's largest country program, in Afghanistan. He also was UNDP's Country Director (2007-2012) in Sri Lanka during its civil war.
